WATER QUALITY CALL TO ACTION! ADD YOUR VOICE STOP THE LAKE O. RELEASES! NO BACK PUMPING!

Tonight, Sanibel Mayor Kevin Ruane issued this call to action: "We call on every person who understands that our water quality is the engine that drives the southwest Florida economy to contact the Army Corp of Engineers with this critical message: 'Immediately stop the massive releases and immediately stop the back pumping into Lake O.'" The contact for the Corp of Engineers is:

**Lt. Colonel Jennifer A. Reynolds
Deputy District Commander for South Florida
U.S. Army Corps of Engineers, Jacksonville District
South Florida Restoration Program Office**

1400 Centrepark Boulevard
West Palm Beach, FL 33401-7402
Email: Jennifer.A.Reynolds@usace.army.mil
Phone: [561-472-8891](tel:561-472-8891)
