

**MARK YOUR CALENDARS
FOR 10:00 AM, FRIDAY, DECEMBER 7**

**You're Invited to a Meeting of COTI Members
to Discuss Current Sanibel Issues**

Sanibel Community House (Founders' Room)

We very much want to hear your views on local issues of the day.

So we're going to hold a meeting of COTI members to share thoughts.

The agenda for the meeting will be flexible, but we'll be prepared to cover, time permitting, the following topics:

- **Water Quality and Quantity Issues - including deep injection wells, dispersed water management and more**
- **Fixing the Recreation Center Budget Deficit**
- **Options for the Center 4 Life Facility**
- **Dealing with Traffic Congestion**
- **Challenging the Eden Oak Development**
- **Enforcing Sanibel Ordinances - including short-term rental rules and noise**

We anticipate the meeting last between sixty and ninety minutes - and we'll

have coffee available.

Please come and join us!
